Infinite Learning

August – December 2023

Studi Independen, Web Developer

GPA 84.6/100

Infinite Learning, a division of PT Kinema Systrans multimedia (a subsidiary of Infinite Studios), is centered on developing training courses of Infinite Studios, is centered on developing vocational training courses relevant to Infinite Studios activities and the growing demand for training courses that are relevant to the activities of Infinite Studios and the growing demand for skilled talent in the Nongsa Digital Park ecosystem.

Through this program, I gained expertise in front-end and back-end development, along with soft skills in team collaboration while working on micro, macro, and massive projects. Additionally, I acquired industry-relevant skills through direct mentorship from Infinite Learning professionals.
